THE OLEAN

1952

OLEY TOWNSHIP HIGH SCHOOL
OLEY, PENNSYLVANIA

Foreword

Just two hundred years ago the Supreme Council at Philadelphia, following the recommendation of Gov. Andrew Hamilton, voted to grant a charter setting up the County of Berks. Fourteen years of efforts by the leaders of the Reading area finally brought the long hoped for local self-government.

In a similar way the members of our class, twelve years ago, began their efforts to gain an education which would culminate in graduation this year. To us the high school diploma is just as the charter was to the people of Berks County. It means that our period of adolescence is ended and that we are ready to take our place in the larger area of life where a bright and promising future awaits us. Thus it is quite fitting this two hundredth anniversary of Berks County became the theme of our Olean.

Dedication

In recognition of the love, tolerance, patience and sacrifices shown to us during our pre-school and school life, we, the class of 1952, dedicate this book to our parents. Without them to guide and prod us on, our past accomplishments would have been impossible. To them we now and always express our appreciation and gratitude.

A Quarter Century of Service

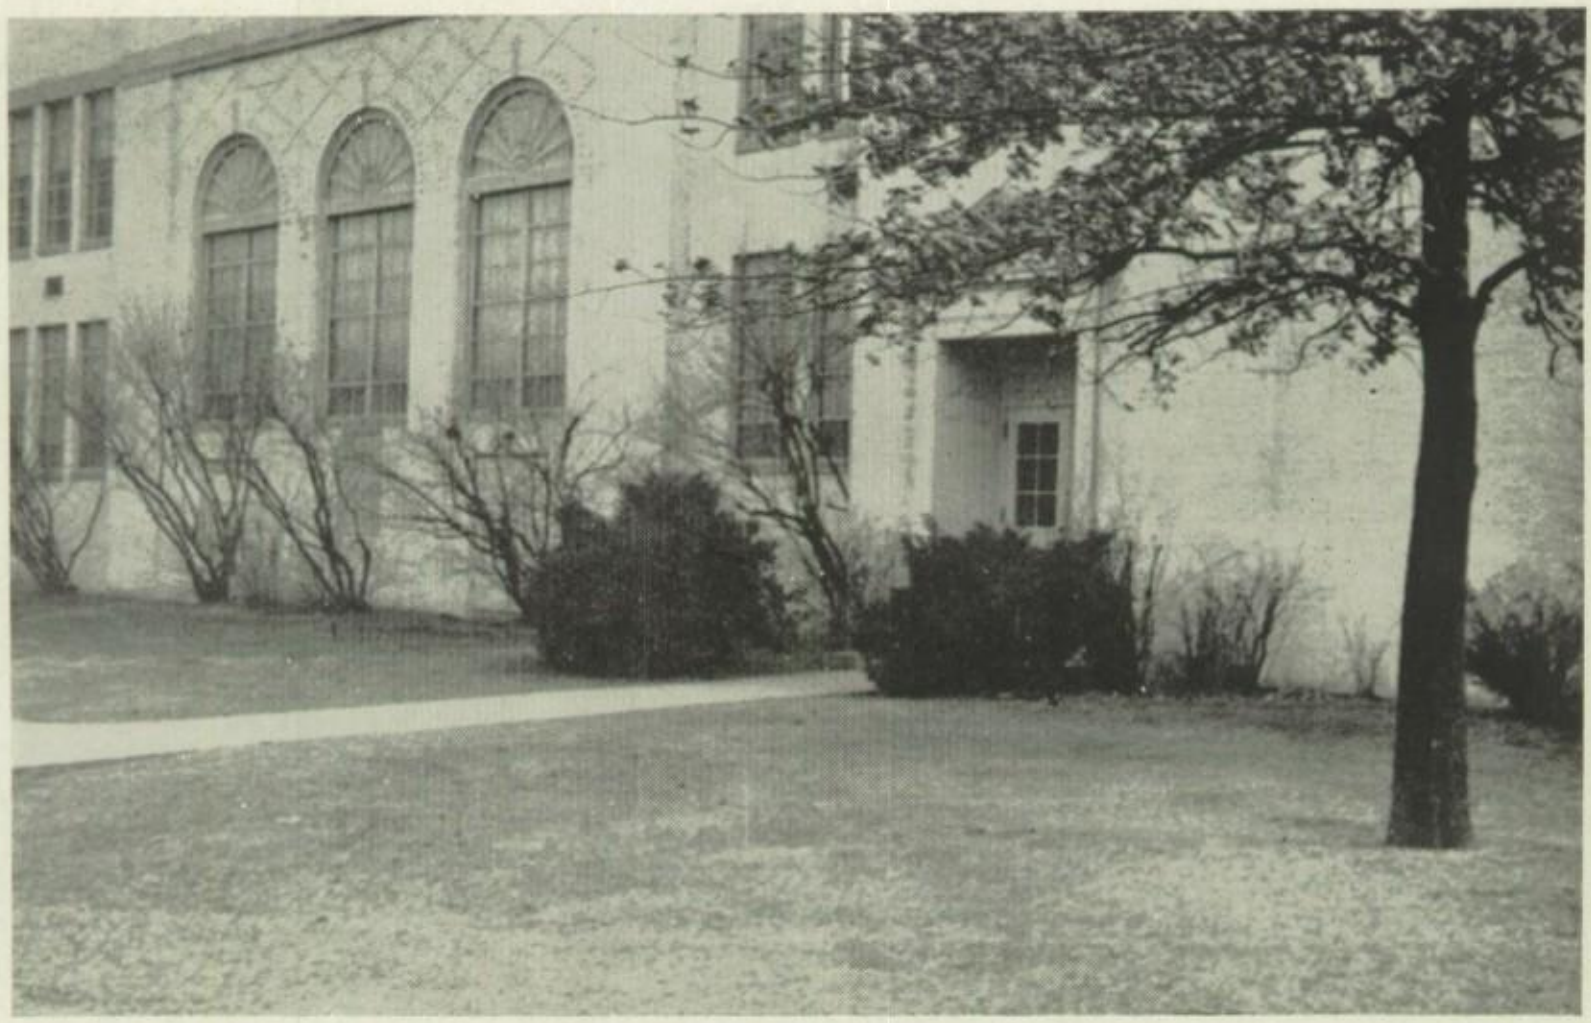
This year the Olean wishes to pay tribute to our supervising principal, Frederick H. Stauffer, who is completing twenty-five years of service in the Oley Schools. Mr. Stauffer was born July 13, 1897, in Lower Milford Township, Lehigh County. He attended school through eighth grade in that county and Milford Township in Bucks County. Upon graduating from Emmaus High School in 1916, he entered Muhlenberg College and graduated in 1920 with a PH.B. degree. He received his M.A. degree and superintendent's certificate when he graduated from Columbia University in 1928. The state of Pennsylvania granted Mr. Stauffer a supervising principal's certificate.

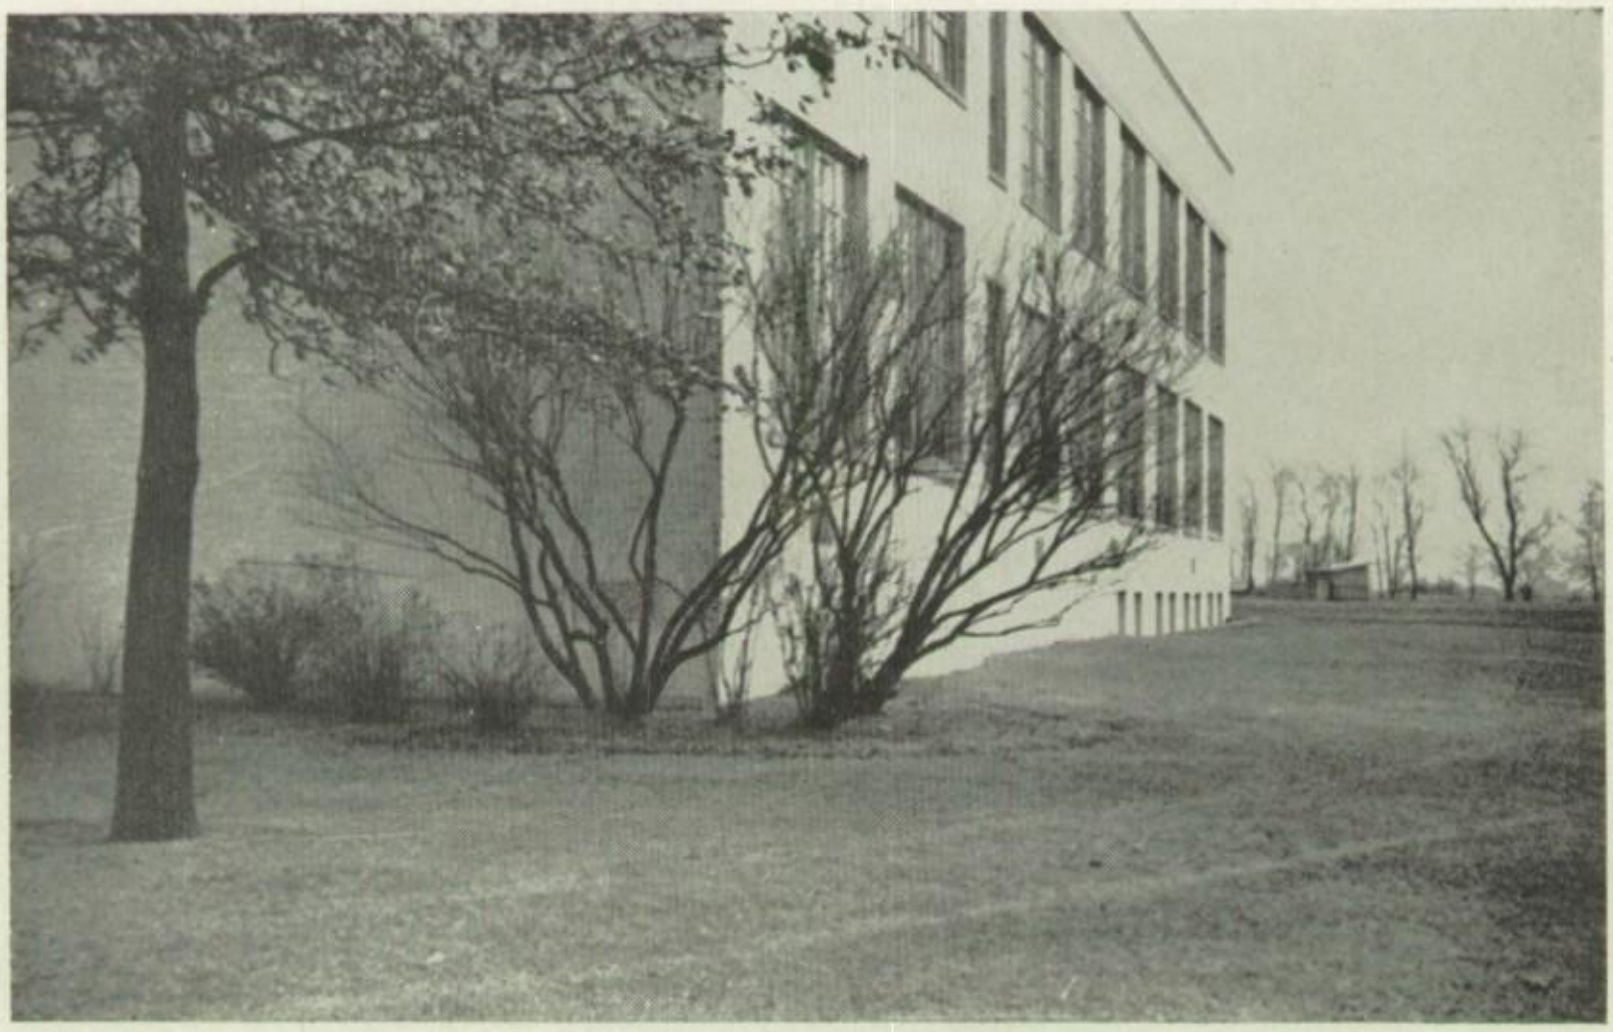
Teaching first in a rural school in 1918 and 1919, he taught rural school again upon graduating from college in 1920 and 1921. In 1921-22 he taught English at East Greenville High School and was made vice-principal in 1922, continuing there until 1925. From 1925-27 Mr. Stauffer was supervising principal of the Topton Borough Schools. There he was responsible for organizing and getting approved the Topton Junior High School and for the construction of a six-room addition. Oley welcomed him as principal in 1927.

Since Mr. Stauffer came to Oley many improvements have been added. In 1930 the Vocational Agriculture and Home Economics Departments were organized. In 1936 the 8 month term in the grade school was extended to 9 months. Also in this year the first year book was printed and the Physical Education Department for boys and girls was added. A full-time music teacher was employed in 1937 and the printed handbook, school paper, and band were added. In the athletic field, soccer was added in 1928, hockey in 1937 and intramural sports in 1939. The most recent addition was the Commercial Department in 1950. During his 25 years at Oley the total enrollment varied from 430 to 505. The high school has grown from 114 to 262 pupils today. There are 110 non-resident pupils today, as compared with 12 in 1927. Mr. Stauffer signed 83 per cent of the 837 Oley alumni diplomas. During his career he has taught German, Latin, English, and history. He also coached debating and track.

In the year 1922, Mr. Stauffer married Verna A. Yoder. He is a member of the Lutheran Church at Chestnut Hill where he served as deacon for 22 years and is now president of the cemetery board. He served in the capacity of Sunday School teacher for many years and Sunday School superintendent for three years. He has been president of the Berks County Schoolmen's Club one year and secretary for two years. Associated with the boy scouts for 28 years, he is also a member of the Berks County Recreation Board. He was a co-author of the Berks County Bicentennial Plate. Mr. Stauffer was responsible for organizing the Oley Lions Club of which he was the first president.

Mr. Stauffer's hobbies include collecting plates, traveling, and raising asparagus. He ranks second at the present time in the length of time served as a principal of a Berks County School. In his earlier life he thought of being a preacher but changed to a teacher because, in the words of Mr. Stauffer, "I would rather straighten young trees than old trees." In his 33 years of teaching he has found his greatest happiness to be the success of the boys and girls he has taught. He commented that school teaching was tough at times but very interesting, and that he is not at all disappointed in the teaching field.





Seated: Dr. Mark D. Grim, Mrs. Naomi K. Gehret, Mr. Harold J. Herbein.
Standing: Mr. Henry H. Eyrich, Mr. Frank S. Fisher.

TO THE CLASS OF 1952:

Graduation is the time for congratulations, praise, plaudits, and hand-shakes. The Board of Directors of the Oley Township School District joins in this spirit of Graduation to extend to each of you congratulations.

After the plaudits and festivities come the realities. The time has now come that you must think about life's responsibilities. We hope that we have given you some opportunities to learn to think more clearly, to get along better with your fellowmen and to improve your own well being. Whether you go into farming, industry or business, or whether you go on to continue your education and training still further, we trust that your pursuits in life will be a credit to yourself, your school, your community, your country and your God.

Harold J. Herbein

President of the Board

TO THE CLASS OF 1952:

Graduation time has arrived once again. All the festivity and applause centers on you. You have successfully passed the first twelve grades in an American public school system. Success is yours by reason of your efforts and ideals. We salute you. Congratulations to each and every member of '52. May success and happiness be yours always.

Your theme for this yearbook — the Bicentennial of Berks County — has many applications. Two hundred years ago our forefathers saw fit to take definite steps to form the great County of Berks. They had a vision. The Bible tells us "Where there is no vision, the people perish." Today once again we face momentous problems at home and abroad. Questionable ideologies are proposed on every side. Ours is the task to vision the good and to abhor the evil.

At this point I want to again call your attention to the philosophy of your Alma Mater stated as follows: To live successfully in a democracy means (a) the ability to recognize the problems, (b) the ability to face situations with assurance and (c) the will to achieve solution. Goethe once said, "Thinking is easy, acting is difficult and to put one's thoughts into action is the most difficult thing in the world." You are thoroughly briefed on the problems of the present and the past and we have reasons to believe that your vision, effort, and the will to achieve will help you solve the problems that lie ahead.

To learn to interpret the times is our challenge. However let us remember that one can no more change himself, than a leopard can change its spots. We need Divine guidance. Tolstoy said, "To know God is to live." This is the greatest experience possible to a human being. Think creatively, act cooperatively, and assume responsibility and then you will have fulfilled your motto "Up the ladder, step by step."

Alma Mater

We sing to Oley High School,
Noble and strong.
To thee with loyal hearts,
We raise our song.
May your spirits never die,
Nor your walls decay.
We will sing your praises
Through endless days.

We make for thee a crown,
Rest on thy brow
Pride, honor, glory, love,
Before thee bow.
Swelling to Heaven's high
Our praises ring.
Pray that Oley High School
Survives all things.

To My Classmates,

Having arrived at the end of twelve years of schooling, I find this to be the appropriate time to wish each and every one of you the most possible success in your future endeavors. Whether it be in the academic, vocational, or commercial field, do your best, work hard, work earnestly, and work honestly.

During the time I served as president of our class, I have found it to be a unique pleasure; I greatly appreciate your co-operation and willingness in class activities.

Again, I wish each of you an abundant and happy future.

This year's soccer team proved to be fairly successful. Finishing in fourth place in the central division does not tell the whole story. Only one game was decided by more than one point — which proves that the will to win was there, but the scoring punch was lacking. Oley played the league winner, Mt. Penn, to a 1-1 tie. Ours was the only team able to score against Mt. Penn.

Pete Von Dohren, our star halfback, was selected for the county all star team by the Berks County Soccer Association. Seniors lost to graduation are Charles Angstadt, Marvin Bauer, Russell Clauser, Walter Hafer, Edward Kittrell, Carl Moyer, John Reider and Peter Von Dohren.

Boys' Varsity Basketball

For many years the success of the team of '51-'52 will be remembered and talked about in the Oley Valley. The season began with eight straight victories. Our first league defeat we suffered at the hands of Ontelaunee; a few weeks later Fleetwood upset us on our home floor. The result was a three way tie among Fleetwood, Ontelaunee, and Oley in the Eastern Division. After Fleetwood defeated Ontelaunee, Oley trounced the Tigers 44-41 on the Kutztown floor and so far the second time in history, the Blue and White emerged as Champions of its division.

In the Berks County play offs Oley was outclassed by the strong Kutztown Cougars, but in the Class C, P. I. A. A. play offs the Knabbmen surprised everyone by defeating Mohnton to the tune of 42-41.

The P. I. A. A. District 3 semi-finals found us pitted against East Hempfield of Lancaster County. In a hard fought duel on the Elizabethtown College Court, the Lynx finally bowed by a two point margin.

The Olean proudly acclaims Coach Knabb and his Blue and White Hoopsters for a splendid season which brought a new cup to the trophy case.

Girls' Varsity Basketball

The varsity basketball team of 1951-1952 consisted of seven seniors and six juniors. Three seniors — Nora Troxel, Marlene Lengel, and Betty Seyler — played forward. Sara Bieber, a substitute forward, was a whiz at shooting fouls. Betty Lou Lorah, Faye Noll, and Elaine Weidner played as guards. Nancy Gearhart, a senior, Dolores Geissler and Anna Herner, juniors, substituted as guards.

Regular practices were held practically every Tuesday evening and on Wednesday after school.

Play off

Oley vs. Fleetwood at Kutztown 24 — 37

Left to right: G. Seidel, B. Sheetz, M. K. Herbein, F. Correll, J. Levan, M. Bieber, B. Hoover, K. Felix, N. Angstadt, C. Reinert, N. Rinker, J. Young, N. Rathje, Mrs. Chase.

Girls' J. V. Basketball

The junior varsity basketball team practiced with the varsity and gave them some well-fought scrimmages. There were four freshmen, six sophomores and one junior on the team. The forwards were Betty Hoover, a great help with long shots, Molly Bieber, whose great lay ups from under the basket helped pull the Oley team up to their opponents, and Fern Correll, whose specialty was shooting from the right and shooting long shots. The sophomore guards were Naomi Angstadt, the tall center, Carol Reinert, a hard working right guard, and Kay Felix, a hard worker on the left. The freshman substitutes were Mary Kate Herbein, Barbara Sheetz, Gloria Seidel, as forwards. Jean Levan substituted as a guard. A junior, Nancy Rinker, was also a good substitute for the guards.

All the jayvees will be working hard to play on the varsity next year. They will serve as a fine nucleus for future teams.

Cheerleaders

The Oley High School cheerleaders are organized to lead cheers at all boys' basketball games. Under the supervision of Mr. Harold L. Kremser, music teacher, they add many new cheers to the list of standard cheers each year. This year they supplied their own uniforms, and the varsity cheerleaders made their jumpers. For their efforts at the basketball games, they receive a varsity "O" at the end of the year.

Band

One of the outstanding musical organizations of Oley High School is the band. It is composed of outstanding instrumentalists in the school, who meet for rehearsals every Wednesday. A few events on its schedule include playing for pep-meetings, basketball games, assemblies, performing for the high school Hallowe'en Party and participating in the annual Oley Night of Music. Outside activities this year included marching through Pricetown, Pleasantville and Oley to solicit donations for the music fund. Two members of the band, Ralph Rothenberger and John Reider, represented Oley in the annual all-county band.
